How does O₂ Refresh work?

1

Choose the phone you want

All our best sellers are available. Ask for details.

2

Choose an Airtime Plan

We have a few different Airtime Plans. Pick the one with the right combination of minutes, texts and data for you. Go to o2.co.uk/refresh and have a look.

3

Choose a Phone Plan

Whatever the price of your phone, you pay for it with a Phone Plan.

Phone Plans vary from phone to phone, but they all work the same way: you can choose to pay more upfront, or less. The more you pay upfront, the lower your monthly payments will be.

And if you do decide to pay more upfront, you could pay less for your phone overall.

4

Get your total monthly cost

Once you've chosen your Airtime Plan and your Phone Plan, add them together, and that's your total monthly cost. Now, all that's left is for you to make the most of your new toy.

5

Pay off your phone whenever you want

The best thing about O₂ Refresh is that you're free to pay off the Phone Plan whenever you want.

Want that new, must have smartphone? Just pay off the Phone Plan. We won't charge you a penny for the rest of that phone's Airtime Plan, no matter how long you've got left.

Once the Phone Plan is paid off, just choose the new phone you want, and start again. Or if you still love your phone, just carry on paying your Airtime Plan until something new catches your eye.

Includes 24 month Airtime Plan on our Pay Monthly Mobile Agreement and options to pay for your phone upfront or on a consumer credit agreement. To get a new phone pay the balance if you've taken credit and we waive the remaining months of the Airtime Plan. Subject to status, credit check, and payment by Direct Debit. Applicants 18+.
